Sets (s):

YEAR 7

SUBJECT/ Puppet Spring A

Knowledge Focus:

Ysgol Uwchradd Prestatyn High School

This half term : Skills, Knowledge and Understanding to be developed:

Project to be continued into Spring B

Pupils will design and make a hand puppet made from fleece. They will work through the design process and develop practical skills. Pupils will be introduced to the range of equipment used in textiles lessons such as; pins, needles, unpicker, fabric shears, sewing machine and sewing threads. They will learn how to hand sew fabric and also taught how to operate a sewing machine to applique the decorative pieces and also joint the puppet together.

Key Terms to be learned this half term:

Sewing machine, pins, needles, unpicker, fabric shears, fleece, felt, applique, pin and tack.

Week 1 and 2 Learning Objectives etc: **Health and safety** rules and regulations within a technology workshop and using sewing machines **Situation and Brief** – Understand what the project is based on and what they will be manufacturing. **Research** - Use the internet to produce a mood board Numeracy, applying measurements.	**Objective assessments:** Document rules and regulations. Situation and Brief literacy activity – Proof reading and redrafting. Research existing images of puppets and cartoon characters to make a mood board	Homework: Complete health and safety - Textiles
Week 3 and 4 Learning Objectives etc: **Product Analysis -** use the acronym ACCESS FM to analyse existing puppets **Specification** - understand what a specification is and why they are produced before designing Numeracy and ICT	**Objective assessments:** Analyse a range of exiting puppets by answering ACCESS FM questions Write their own specification for the puppet.	Homework: Spellings/ key words Fabric, Applique, Decoration and Sewing Macine.
Week 5/6 Learning Objectives etc: **Design Ideas** - develop a range of hand puppet ideas which are suitable for the target market. **Final design -** understand how refine and develop ideas into a final outcome for the puppet. **Practical** - use final design to produce a scale templates for the puppet APP to be a practical activity	Objective assessments: Draw 4-5 puppet designs - colour and annotate. Produce a final design and evaluate. Pin and cut around each template shape accurately using fabric shears.	Homework: Adding measurements to final design.
