LP1 Week 1/2 Learning Objectives:

Following an introductory session, students will have an insight into a professional dance environment exploring the importance of warming up, Musical Theatre Jazz Dance & Street Dance.

Objective assessments:

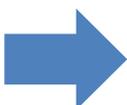

Teacher will make initial assessment to create Target setting

Homework:

Write down 5 styles of dance, for each style choose a song that compliments the dance genre that you would be able to perform to.

LP1 Week 3/4 Learning Objectives:

Focusing on becoming a versatile dancer the students will be given a different genre of dance to try each lesson, including Ballet, Contemporary, Jazz, Commercial and Latin.

Objective assessments:

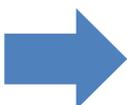

Students will set short term and long terms goals

Homework:

Choose one of the routines learnt in class and rehearse it, we will perform these as solos in class

LP1 Week 5/6 Learning Objectives:

Looking at Unit 4: Dance Skills, students will be introduced to the expectations of the unit and continue to take part in practical sessions exploring different dance styles. Begin to log progression and strengths and weaknesses for each class.

Objective assessments:

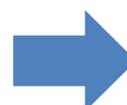

Teacher assessment of progression so far, applying in coherence with the students personal short term goals

Homework:

Choose one element of a dance warm up (cardio, stretching, warming up of isolated body parts) and create 1 minute of warming up you will act as teacher and take the warm up with the rest of the class.

LP1 Week 7 Learning Objectives:

Choose favourite style of Dance studied so far and choose music accompaniment to match, create a short sequence to this piece applying the technique, style and musicality learnt so far.

Objective assessments:

Peer assessment for log book of short solo sequences

Homework:

Over half term add an additional 30 seconds to your dance routine started in week 7, these will be performed for video self assessment next term
