

Dear Parents/Carers,

Coronavirus Update: Prestatyn High Provision

As I am sure you are now aware, we have been instructed to close to help slow down the spread of COVID-19. From Monday, 23rd March our school will have a new purpose. It will help support those most in need, including people involved in the immediate response to the COVID-19 outbreak.

We will be open Monday to Friday, 8am-5pm, although this is subject to change. Any alterations made to the provision will be communicated with parents/carers. Pupils will be provided with learning and enrichment by school staff during these hours. We will provide breakfast and lunch for pupils attending this provision. Breakfast will be served 8-8.30am and lunch will be served 12.30-1.15pm. Pupils are not required to wear school uniform. However, pupils are still expected to follow our expectations of behaviour and our behaviour policy 'Ready to Learn'.

Food will also be available for any of our pupils who are eligible for Free School Meals.

As per the Government's advice, please only send your child to school if there is no safe alternative. This is the first principle of their guidance to prevent the spread of the virus.

Please continue to follow the official guidance from the Welsh Government, Public Health Wales and Denbighshire County Council on how to stop the spread of COVID-19 and how to remain safe in the community.

Please continue to remind your children about hygiene, how to keep safe and to wash their hands regularly.

It's a difficult time and we know you're worried about the impact this might have on our community. It's important we keep each other safe and follow the guidance we get from the government and health board.

Yours sincerely,

Neil Foley
Headteacher
