

Welcome to Totally Music!

www.totally-music.com

We are proud to present our brand-new platform for online music learning. Brought to you by North Wales Music Co-operative, home of Denbighshire and Wrexham Music Co-operatives.

As with many businesses we have had to quickly adapt to a new way of working to continue to support our pupils and schools in the current situation we find ourselves in. Alongside our online music lessons, we launch this site to give our pupils and our schools access to high quality music resources with a focus on fun – be that at home or in school.

We hope you enjoy our resources which will be added to weekly and welcome any feedback. These resources have been put together by our talented members in Denbighshire and Wrexham Music Co-operatives, supported by both Wrexham and Denbighshire Local Authorities using Welsh Government funding for Music services.

The site itself can be found at www.totally-music.com - please note the site is not password protected but the resources it contains are – schools/pupils/parents can access with following log in – you may use the school log in if you wish to view anything and we are happy for schools to share these password with parents for them to access the site for learning at home.

Many of the videos have been trialled in schools and with pupils at home very successfully – we will be adding more resources over coming weeks.
