

Pig Pen Cipher

Pig Pen Cipher

The Pig Pen cipher is a type of a substitution cipher. The key for this cipher is the four grids shown at the top of the page.

Imagine the grids are a top down view of pig styes where each letter is a pig.

To encrypt a message, we find the letter in the grid and draw the pen that it is inside.

For example:

Plaintext: Went

Ciphertext:

To decrypt a message, we find the shape of the pen and replace it with the letter that is inside it in the grid.

Ciphertext:

Plaintext: Home

Pig Pen Cipher

Pig Pen Practice

Use the space below to encrypt the messages:

A	B	C
D	E	F
G	H	I

J	K	L
M	N	O
P	Q	R

1. I'll be back _____

2. Mama always said life was like a box of chocolates

3. Anything is possible when you have inner peace

4. Don't forget to breathe — Very important
