Hello

We are delighted to welcome you to the Religious Studies department. We like to include everyone and if you return your information in the new term or via email you will be part of a very big display for your first year at Prestatyn High School.

This gives you a chance to give some thought into how you feel about moving on to the next stage of education, but it is also helps us to get to know you. What makes you? You could include your character, sports, hobbies, pets, family and friends; you might even want to share your faith if you have one.

The above is only a template you might want draw your ideas and opinions. You could use a computer. It might be you write a poem to explain you as a person and your thoughts. Those of you that are artistic might have even better ideas.

Your start at secondary school is exciting and a time to make memories. Return your ideas by email to jsmith@prestatynhigh.co.uk or bring them to school in September for the attention of Mrs J Smith.

I look forward to meeting you. So get creative and start your memory journey in Religious Studies.
