## *INSET DAYS*

Dear all parents and carers,

I do hope you are well and that you are coping well with the current measures and restrictions in place for COVID-19, hopefully we will see these measures removed as soon as possible. We are still awaiting further guidance on what measures will be in place as the risk level reduces, but for now all existing safety procedures remain the same.

Due to the rising cases before the Christmas break, as you are aware, the Welsh Government instructed all schools to have two planning days for COVID-19 at the start of this term and reschedule any INSET days that were due to have taken place on these dates for later on in the year. Working alongside, and in consultation with our local cluster primary schools we have decided to place these INSET days on the following dates:

**8<sup>th</sup> July 2022**

**20<sup>th</sup> July 2022**

These dates were chosen so that they had no impact on exam classes as they take place after the summer exams have concluded. **This means that pupils and students will not be expected in school on Friday 8th July and that pupils break up for summer one day earlier on Tuesday 19th of July 2022.**

On the reverse side of this letter is the school calendar with the term dates and the remaining INSET days highlighted.

Please contact the school if you have any questions about the dates provided.
