## A LETTER FROM THE HEADTEACHER

## @PRESTATYN HIGH - SOCIAL MEDIA ROUNDUP

To all Parents and Carers,

**Although this has been quite a short half term, we have packed an awful lot of events and activities into it, from our Awards Evening to the amazing Festival of Culture in the last week before Easter. This half term has also seen the unions and the government sit down and agree on working conditions and pay for teachers which thankfully has averted any future strikes.**

The Awards Evening (the first since 2019 due to the pandemic) was a fantastic success which saw us celebrate the achievements of well over 50 of our pupils. Every department area gave awards to pupils from Year 7 to Year 10, along with awards from the year teams. The pupils who won these awards were selected by nomination from their teachers and this is why they mean so much. There were also special whole-school awards for Sporting Achievement, Enrichment, Community, Attendance and, finally, the last award of the night was the Headteacher's Award. The Headteacher's Award this year was won by Vova Dzhulai, an inspirational and determined young man who is a credit to himself and his family.

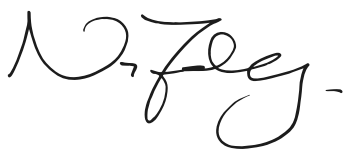

The Festival of Culture allowed us to highlight and share the important message about diversity and how crucial it is to make sure that all people in our community, and beyond, are treated with respect, no matter their skin colour, sexuality or religion. Pupils from our school and all of the cluster primaries took part in the festival and it was a great success. This is an event that we will run every year, and one which will get bigger and stronger each year.

The Year 7 PGL trip was another successful event which was enjoyed by well over 130 pupils and staff. The pupils spent 3 days on a residential completing physical and mental tasks based on survival skills. All Year 7s enjoyed the experience and we are already planning the next trip. Well done to the Year 7 team!

Finally, please remember to ensure all Year 11s and 13s attend the Easter school extra lessons. The school is open everyday over the holiday (excluding bank holidays) to allow teachers to give extra support to our exam classes. Now is the time to put in that extra bit of effort!

I do hope all families have a restful and enjoyable Easter break..

Best wishes,

**Neil Foley B.Sc. MA.**
