Diversity Week

Prestatyn High School celebrate diversity with a Festival of Culture and Diversity. Prestatyn High School ran a Festival of Culture and Diversity. Sessions happened throughout the week with a variety of providers. Lots of different activities took place. Learners engaged in a range of different activities: Welsh - Culture Challenge, Religious Studies - Rangoli patterns, French - Multicultural celebration and Food Tech - Multicultural foods from around the world, amongst other activities that celebrated the amazing community we have.

We look forward to another festival next year and hope that our young people have enjoyed the experience.

Well done to Sonny who recently received his first international football cap for the Republic of Ireland U15s vs Australia. A fantastic achievement!

Wear Red Day

Our annual 'Wear Red Day' was very well supported by pupils and staff, it was an opportunity to support 'Show Racism the Red Card' by wearing something red. In total our school community raised £779 for charity.

Roman Holiday

The History Department organised a historical journey to Rome. They visited historic sites such as The Colosseum, The Vatican Museums, The Sistine Chapel, and many more. In addition they enjoyed the local delicacies and embraced the culture of the city.

Ski Trip

Pupils and staff enjoyed another fantastic visit to the snowy slopes of Austria before Christmas. All pupils enjoyed the experience..

After School Sessions

There are many after school sessions available to students. The new PRAMA studio and clip and climb sessions are open to all years every night after school. Come and join in the fun.

Performing Arts

The Performing Arts department have had the opportunity to experience a number of live theatre performances over the last few months. All performances were amazing.

Annwyl Rhieni / Gwarcheidwiaid / Dear Parents / Carers,

As we approach the end of another successful half term, I would like to take this opportunity to express my sincere gratitude for the unwavering support you provide to our wonderful school community.

It has been a busy and eventful start to the year, and I am immensely proud of the diverse enrichment opportunities we offer our pupils. The skiing trip to Austria was a resounding success, showcasing some remarkable skiing techniques on the piste. Additionally, the Humanities department recently returned from an inspiring trip to Rome, where our pupils were captivated by the awe-inspiring historical buildings and culture.

This week, we celebrated our vibrant and diverse community with a Festival of Culture week. It was a pleasure to welcome our feeder primary schools who enthusiastically participated in the festival. We also did our bit for the environment, and I would like to extend my gratitude to Mrs. Skeffington for her dedicated efforts in planting trees around the school's perimeter. Such initiatives demonstrate our shared commitment to fostering a greener future.

Looking ahead, our full school production of "The Addams Family" is currently in preparation. This show promises to be a spectacular event, one that you certainly do not want to miss. I encourage you to contact the school and purchase tickets to support our talented young actors and singers. The performances will take place during the week beginning 31st March, and I look forward to seeing you there.

Thank you once again for your ongoing support. It is only through working together as a united community that we can make a real difference in the lives of our young people.

Yr eiddoch yn gywir / Yours faithfully,

Diolch,

Mr. Gavin Turner
Diprwy Prifathro / Deputy Headteacher

Prestatyn High @PrestatynHigh 5 FEBRUARY 2025

We have kindly been given a variety of native trees by @DenbighshireCC to improve biodiversity, grow fruit and tackle the climate crisis. Pupils from Y7 - 10 and Y12 have planted over 50 trees to create two orchard areas and over 170m of hedgerow. @DenbighshireCC @woodlandtrust
