RECORD OF ACHIEVEMENT

The traditional end of year school Record of Achievement award ceremony took place on Tuesday 6th May, 2025. We celebrated our amazing Year 11 cohort, recognising their achievements over the past five years. This year has been a very successful one here at PHS.

This year the school will once again adopt a 'prom' style event in favour of a gala-style award ceremony.

The prom will take place after the summer exams at the Faenol Fawr on Thursday, 19th June 2025.

"It is fantastic to see so many talented young people with great futures ahead of them."

Neil Foley - Headteacher

During the event, there were special individual awards for some of our extra special Year 11 students who have achieved something fantastic over their time with us.

The Headteacher's Award was presented to Theo McChesney.

Mrs Trayza Williams, Head of Year 11 said:

"Theo is someone who leaves a lasting impression on those he meets. A very popular pupil, he approaches every part of life with motivation and determination".

The event was rounded off by a heartfelt and nostalgic Year 11 Ambassadors' speech. This was delivered by Ellie Carter & Callum Disley.

Welsh Schools FA Cup

This competition involves over 200 high schools in Wales. Unfortunately, we lost 3-1 in the final to Ysgol

Basseleg from Newport which was played at Merthyr Tydfil Football Club. It was a fantastic achievement where along the way we became North Wales Champions. Well done to all players involved.

English Trips

On Thursday, 3rd April, all Year 13 English Literature
students attended a performance of William
Shakespeare's King Lear at the Garrick Theatre in

Stockport. It was a fantastic production and provided
students with a rare opportunity to see it live for their
examination in June. Thank you to Mr. North for being
our bus driver!

Annwyl Rhieni / Gwarcheidwiaid / Dear Parents / Carers,

First and foremost, a huge well done to our Year 11 pupils and Year 13 students who have been completing their final exams. Their commitment and focus have been truly commendable, and we are incredibly proud of the effort they have shown. Throughout the term, and even during the Easter holidays, many of them attended additional revision sessions, and we thank the staff who generously gave up their time to make this possible. These sessions have been invaluable in preparing our pupils and students for success, and we are confident that the Class of 2025 will go on to achieve great things.

Just before their exams began, our Year 11 pupils took part in their Record of Achievement celebration, where they were presented with certificates and awards to mark their time at school. It was a fantastic event, and we wish them all the very best for their future. We are also looking forward to celebrating with them once more at the Year 11 Prom, which promises to be a memorable evening after all their hard work.

Earlier in the term, we also held our Lower School Awards Evening the talents and achievements of our pupils in Years 7 to 10. Over fifty awards were presented across a wide range of areas, reflecting the dedication and enthusiasm of our younger pupils. A special mention must go to Myles Chapman in Year 10, who was the proud recipient of the Headteacher's Award; a fantastic achievement.

As always, we'd like to remind parents and carers of the importance of maintaining excellent attendance, particularly for our exam groups, right through to the end of the academic year. We are grateful for your ongoing support in ensuring pupils make the most of every learning opportunity.

Thank you to all pupils, staff, and families for your continued hard work and commitment throughout the term. We wish everyone a restful and enjoyable break, and we look forward to welcoming you back refreshed and ready for the final weeks of the school year.

Best wishes and enjoy the sunshine,

Yr eiddoch yn gywir / Yours faithfully,

Diolch,

Neil Foley B.Sc. MA.
